«Everyone was interested in the information leaflet hand out and very happy to wear the " I SUPPORT " bracelet . Some of the related concerns we're the possibility of a majority government , the Global economy and their effects on negotiations...we're still very confident in our neg team and will continue to support them in any way .» [NAT 60029](#)

«We had the pleasure of having our NDP member of parliament Yvon Godin present to greet our members as we handed out bracelets and information sheets. Members were very receptive to receiving the bracelets and the information sheets. This National Action Day was a success and both locals would like the Bargaining Team to know that we support them 100%. Special Thanks go out to Yvon Godin our MP in Acadie Bathurst and to all members of both locals who arrived to the work site early to participate in this National Action Day.» [CEIU 60269 & 60254](#)
